Welcome, Class of 2022!

Congratulations and welcome to San Diego State University!

It is an honor to congratulate you on your admission to San Diego State University and to welcome you to the SDSU family. You are about to embark on one of the most exciting times of your life.

This time is so exciting because there are many new possibilities in your future. In the coming months, as you complete the Steps to Enroll, visit campus for New Student Orientation, pack your bags to move to San Diego, establish your new home, and start attending classes, you will begin to make SDSU your own.

Once you are here, you will become familiar with our beautiful campus, choose clubs and organizations to join, attend Aztec Nights and athletic games, work with professors on innovative projects, and build a community of friends who you will share milestones and memories with over the next four years. Your new SDSU family is here to provide you with resources, guidance and support for you to shape your unique SDSU experience.

This year marks a special time in our university’s history. As SDSU celebrates its 120th anniversary, we continue our commitment to building on excellence and providing students like you with life-changing opportunities as we have for over 400,000 alumni.

Embrace this moment and be proud of yourself. You have worked hard to get here. I am so happy for you and I cannot wait to see you in the fall. Once again, congratulations on becoming a part of SDSU’s class of 2022!

If you have any questions, please do not hesitate to contact me.

Sincerely,

Matthew Hebert
Director of Student Recruitment and School Relations
As an admitted freshman, you must complete the following steps to finalize your admission. For detailed instructions on each step, please visit www.sdsu.edu/admittedfreshmen.

☐ **Step 1: Complete the Intent to Enroll Process**

Reserve your place in the class of 2022 by submitting the online Intent to Enroll $400 nonrefundable deposit in your SDSU WebPortal at [www.sdsu.edu/portal](http://www.sdsu.edu/portal). Additionally, please send official copies of transcript(s) from all high schools and colleges you have attended, including fall 2017 grades. Finally, send official test scores for SAT or ACT exams you have taken, score reports for Advanced Placement (AP) exams, and International Baccalaureate (IB) test scores.

☐ **Step 2: Activate Your SDSUid**

Within a few days of submitting your Intent to Enroll, you will receive an email from the Library Computing Hub Help Desk (The Hub) with instructions on how to activate your SDSUid account. Complete the steps in the email to activate your account. More information about SDSUid is available at [sdsuid.sdsu.edu](http://sdsuid.sdsu.edu).

☐ **Step 3: Apply for Financial Aid and Scholarships**

It's time to decide how you and your family will finance your SDSU education. Learn more about applying for financial aid and scholarships by visiting [www.sdsu.edu/financialaid](http://www.sdsu.edu/financialaid).

☐ **Step 4: Apply for Housing**

Admitted first-time freshmen from outside SDSU’s local admission area are required to live on campus for two years. The License Agreement will be made available to you online through the SDSU WebPortal at [www.sdsu.edu/portal](http://www.sdsu.edu/portal) on March 2.

☐ **Step 5: Pay Basic Tuition and Fees**

Basic tuition and fees are due a few weeks before your class registration date. You will receive an email in early June telling you to go to My Registration in your SDSU WebPortal for your class registration date and fee payment information. Pay your fees by your fee payment deadline using the Student Account Services website at [www.sdsu.edu/sas](http://www.sdsu.edu/sas) in order to register on your assigned registration date.

☐ **Step 6: Attend New Student Orientation**

New Student Orientation for freshmen is offered in mid-July. Do not make travel arrangements before you have made a reservation for New Student Orientation. Space is limited for each orientation program (to allow students to make connections and register for classes). You can make your reservation online at [www.sdsu.edu/orientation](http://www.sdsu.edu/orientation) beginning on May 10 at 10 a.m. PST.

☐ **Step 7: Meet Immunization Requirements**

All students must meet specific immunization requirements. To meet these requirements, you should submit medical documentation or laboratory evidence as proof of immunity to Student Health Services through the secure web portal, [HealtheConnect.sdsu.edu](http://HealtheConnect.sdsu.edu).
