New Incomplete Agreement Process

New Process for assigning an Incomplete ("I") with an Incomplete Agreement to uphold the Senate Policy:

Senate Policy:

“An incomplete shall signify that a portion of required course work has not been completed and evaluated in the prescribed time period due to unforeseen, but fully justified, reasons and that there is still a possibility of earning credit. It shall be the student’s responsibility to bring pertinent information to the instructor and to reach agreement on the means by which the remaining course requirements shall be satisfied.”

Authorized Incomplete "I" Agreement

Student Name: [Redacted]
Red ID: [Redacted]
Email: [Redacted].com

The "I" symbol shall be used only when the faculty member concludes that a small, clearly identifiable portion of course requirements cannot be met within the academic term for unforeseen reasons. An incomplete shall not be assigned when it is necessary for the student to attend a major portion of the class when it is not offered. An incomplete is also prohibited where the normal practice requires extension of course requirements beyond the close of a term, e.g., thesis or project type courses. In such cases use of the "IP" symbol is required. The conditions for removal of the incomplete must be described below by the instructor. A copy of this agreement will be provided to the student, and department/school.

An Incomplete shall be removed within one year following the end of the term during which it was assigned. If the Incomplete is not removed within the prescribed time limit it will be counted as a failing grade in calculating grade point averages and progress points.

In accordance with C SUC Executive Order No. 266, the student and professor agree to the following assignment of "I":

Department: Communication
Course #: CMTH 0350
Schedule #: 20085
Semester/Year: Summer 2015
Grade to Date: [Redacted]
Instructor Name: [Redacted]

Reason for assigning Incomplete:
Missing exam #2

Describe the conditions in order to remove the Incomplete. (State precisely what work must be completed by the student.)
Make up exam #2 to get letter grade

Date by which course work is to be completed: 09/10/2015

Confirmation of Grades Submission

Step 4. Your grades have been submitted. Review the confirmation.

- This page displays a confirmation of WebGrades processing with a status result for each student.
- A confirmation number is generated for tracking purposes. Print this page for your records.
- A message will display if there was no grade changes submitted for a student, or if there were any errors resulting from the grade selected for each student.
- The Roster Grade is the grade you submitted. The Official grade is the grade recorded in SIMS/R.
- You are now finished grading this class. You can submit revisions if necessary, up to the last day of the term.
- Do not post this page for students.

The status will display “Success” when the “I” has successfully been submitted.
A notification email will be sent to the student after the Incomplete Agreement has been submitted.
Students can view their Incomplete Agreements in “My Grades” in their WebPortal.

The status of the Incomplete Agreement is based on the deadline date set by the instructor in the agreement:

- **Active**: the deadline has not passed
- **Expired**: the deadline has passed without the student completing the work
- **Completed**: the student has completed the work for a grade
Select “Incomplete Agreement” from the WebPortal faculty menu.

Select period: Fall 2015
Select course
The report will show all students who have an Incomplete Agreement for the period and course selected.

You can view the Incomplete Agreement by clicking on the student’s RedID.

The “Complete Date” on the report is the deadline date of the agreement set by the instructor. When an instructor uses the grade change function in the SDSU WebPortal to change an “I” to a letter grade by the deadline date of the agreement, the status of the “I” Agreement will be automatically updated to “completed.” After an “I” agreement becomes “expired,” faculty should update the “I” to the grade-to-date reported on the agreement using the grade change function in the SDSU WebPortal within the one calendar year deadline.
Select “Incomplete Agreement” from the WebPortal department menu.

Select period
Department will be able to select “All Faculty” or “Individual faculty” within their department.
A list of students who have an Incomplete Agreement for the selected period and faculty will appear.

You can view the Incomplete Agreement by clicking on the student’s RedID.
